

Host a Toy Drive for Children's Holiday Celebrations

A private party will be held exclusively for children who are treated for cancer or a blood disorder at Children's Health and their immediate families.

Patients and their siblings, ages 0 to 18, will each visit Santa's Workshop to select a holiday gift. These donated gifts are new, unwrapped toys.

Donations due by:
2 p.m., Monday, Dec. 11, 2023

We appreciate your interest in donating to support those treated at Children's Health. This list is compiled of toys and other items that are requested often from our patients and their families. These items will be featured in the toy shop at the holiday parties benefitting patients treated for cancer and blood disorders and their siblings.

When considering your donation of a new gift or toy, please note that HIGHEST NEEDS are **INFANT/TODDLER** and **TEENAGE** items, and items **bolded**. Gift cards from Wal-Mart, Target and Toys "R" Us are also greatly appreciated.

Donation Drop Off: Please contact Gill Center Outreach Manager Cristy Ecton at 214-456-2805 or cristy.ecton@childrens.com to coordinate your donation.

Please Note: All toys must be **BRAND NEW** due to infection prevention. Thank You!
